GENERAL INFORMATION

Mission Statement

PCI Academy's objective is to produce highly trained and well educated graduates for salons and spas. We are committed to excellence in cosmetology arts and sciences education. Educational systems and programs are updated constantly to keep the student's interests first and our educational quality high.

Name

PCI Academy is hereinafter known as "PCI" in this document.

History

PCI Academy began as Professional Cosmetology Institute, the realization of founder Marian Lokken's dream. Her lifelong interest in quality education for her salons led her to create an institute of cosmetology in June 1978 located in Ames, Iowa.

In 1987 PCI moved into its own building at 627 Main. Mary Lokken hired Randy Kunkel, KRS Consulting Group, in 1999 to help her grow the Institute.

In 2002, SPA~A School, a second school, opened in New Hope, Minnesota.

In 2005, PCI and SPA~A School became TSPA, The Salon Professional Academy. The Ames school moved to a brand new building at 309 Kitty Hawk Drive in December 2005.

In June 2011, TSPA returned to its origins while maintaining the advancements we had made over the last 33 years, by becoming PCI Academy.

In 2013, the New Hope academy relocated to Plymouth, Minnesota. In 2017, a building across the parking lot was added to the Plymouth campus.

The PCI Creed

We have pride in our education, the joy of sharing with people whose hearts are one growing toward common professional goals, toward dreams come true.

We have confidence in our experience, equipping ourselves for the challenge of the lives we will touch.

The direction we take now is the path we choose to travel in the future; we know integrity is our example.

The watchwords of people learning to live with others honestly, openly, kindly are pride, confidence, integrity – PCI. (Circa 1978)

Community

The academy is located in Ames, Iowa, a community of 60,000 people including Iowa State University. There are concerts, sports, shopping and recreational activities available. Ames is home to Iowa State University.

Personal Services are a privilege.

A student maintaining 85% grades, 100% attendance and no tardies for the prior month will receive one service appointment each month worth up to \$40 in services and lasting no more than 2½ hours.

This reward begins after entering the salon area. Students perform all personal services on each other and may only perform services they have been trained to do. The services done all at one time and approved by a salon area educator.

The student will be given a voucher by her coach each month that she qualifies after basics. It must be signed by the coach when the services are scheduled and must be turned in at the desk when the student would normally pay for the service. The coach will schedule student service time. Schedule them early in the month. Personal services may not be scheduled on a Thursday, Friday or Saturday. The student having the service is a guest during this time.

Select any services. If the choice exceeds the \$40, the student pays one-half of the balance. The student performing the service will be graded on the work and it must be done in the time allotted by the computer for that student's level.

The student may have additional services outside of scheduled hours and will pay half price. Services are not transferable to a different month or another student. The voucher is void if on a leave of absence, dropped out or graduated. Rules for these services are those in force at the time of the service and are subject to change.

Community Service Component

Giving back to your community is part of becoming a professional and a good citizen.

Every student at PCI contributes some time to a community service organization while in school. Cosmetology students donate 10 hours, esthetics and massage therapy students donate 6 hours and nail technology students donate 4 hours.

All charitable hours are documented but do not count toward the total hours of training.

Our goal is to help graduates look at the communities they will grow their careers in and find opportunities to give something back after they are out of school.

Time Clock Policy

Students must use the fingerprint scanner to clock in at the beginning of their shift, lunch/dinner breaks, and at the end of their shift. Scan in up to 15 minutes before the scheduled starting time. As the finger is scanned it says "thank you". If it doesn't scan properly it says "please try again."

The time clock is how the student receives and records hours. It's an electronic signature. The student is responsible for their hours. Students risk being dropped for falsifying time clock records.

Get full credit for all your training and graduate on schedule. Use the time clock scanner to help achieve this goal. Accurate records affect meeting attendance standards, 85% grades and financial aid.

Student hours are posted weekly. Students may come to their team coach with time clock questions.

The student ID card allows the student to buy professional products at local distributor stores.

Financial Aid

Financial aid is available to those who qualify. Once a student enters a financial aid agreement with the academy it is submitted to NSLDS (National Student Loan Data System) and will be accessible to guarantee agencies, lenders and other schools determined to be authorized users of the data system.

We are an approved program for GI Bill and other military benefits. Please contact admissions for further information.

ACADEMIC INFORMATION

Graduation Requirements

A grade average of 85% is required for graduation from any program at PCI Academy. Both theory and practical work are important. Students are evaluated on a level system that prepares them for salon performance levels. All work must be completed to graduate.

The following are required for graduation from all programs:

- Completion of state required hours
- Completion of all assignments and tests
- Completion of project/grade sheets
- 85% grade average
- Meeting the attendance standard for your program
- Payment of all tuition and fees

Graduation

Graduates earn a diploma awarded at graduation.

Grades

The academy uses a 100-point grading scale: 93-100% = A, 85-92% = B. Below 85% is not passing. Grades are given for classroom work, projects, and styling area performance.

Work habits, appearance, conduct, initiative, cooperation, and attendance are also considered.

A student must be above average (85% or better) to graduate from the academy.

Student Grade Report Policy

Each student is provided with at least two written report cards during the program. The report evaluates the student's performance in theory, in practical work, and in attendance.

Suspension

Students may be suspended for poor performance, absence, tardiness or inappropriate behavior. If a student is suspended, the student will be advised about the problem and what the student must do to correct the problem.

It is the intent of the academy to prepare professional people for a career. If a student has limited likelihood of success in this career, it is the responsibility of the academy to advise the student how deficiencies could be corrected.

Termination

A student may be terminated for inadequate grades, failure to comply with attendance policies, or any failure to comply with student policies as outlined in this catalog. If a student chooses to re-enter it would be under the Re-Entry without Satisfactory Progress policy.

Terms of Re-entry with Satisfactory Progress

A student who must withdraw temporarily may re-enter the academy under the following conditions:

1. The student had satisfactory progress academically and in attendance when the temporary withdrawal began;
 2. The student had extraordinary personal circumstances that made academic progress or attendance extremely difficult: and/or
 3. The student or the student's family member required medical attention that required the student to temporarily withdraw.
- Under any one or combination of these conditions the student will be re-admitted without prejudice.

Terms of Re-entry without Satisfactory Progress

If the student did not have satisfactory academic or attendance progress at the time of withdrawal, the following are required:

A letter from the student explaining why the student should be readmitted

Three letters from individuals explaining why the student should be readmitted (one of the three may be an adult friend who has known the student for a long time; two of the letters must be from professionals like a teacher, pastor, counselor, etc. who have known the student for a long time)

A determination will be made by the owners and reported to the student within two weeks after all documents have been received.

CAREER PLANNING

Placement

The academy assists students with job placement. Employers are encouraged to interview students, and efforts are made to place each graduate.

Students are prepared in the latter part of training to seek employment. Job opportunities are posted.

The academy cannot guarantee placement.

Reciprocity

Licensed cosmetologists, estheticians, nail technologists and massage therapists from Iowa may apply for licenses in their field of expertise in other states and must comply with each state's laws and rules to become licensed there.

Licensing Requirements

To become licensed in **cosmetology** in Iowa, students must complete 2100 hours of approved training, graduate from an approved school, and pass the state board exam.

To become licensed in **esthetics** in Iowa, a student must complete 600 hours of approved training, graduate from an approved school, and pass written state board exam.

To become licensed in **nail technology** in Iowa, a student must complete 325 hours of board approved training, graduate from an approved school, and pass the state board exam.

To become licensed in **massage therapy** in Iowa, a student must complete 600 hours of approved training, graduate from an approved school, and pass a national exam.

Career Opportunities

There are many opportunities open to licensed cosmetologists, estheticians, nail technologists and massage therapists. The academy prepares all graduates for the licensing exam and entry-level positions in hair studios, spa salons and destination spas.

Additional industry experience could lead to employment as a manufacturer sales/education person, a distributor sales consultant, and in admissions and financial aid in cosmetology schools.

Additional licenses are usually required to become an educator in a school of cosmetology arts and sciences.

STUDENT POLICIES Be pleasant and smile!

These policies are important to your success at the academy and are a condition of your enrollment. Your attitude must be positive to attract guests and friends. Demonstrate maturity and tolerance in the handling of difficult people and situations.

Learning

Subjects being taught are reviewed and built upon constantly. If you don't understand a subject, seek help from an educator. Our goal is to assist your learning. Your goal is to learn as much as you can. Learning and memorizing are not the same. Learning means you take what is covered into your thinking and can use it. Memorizing is short term and will not last.

Appearance

Students are required to follow the Dress Code.

Personal Services

Students in good standing will receive a monthly student service voucher after basics.

Conduct

Choose your words carefully. Swearing and other improper language is not tolerated. A professional does not complain or gossip. Do not gather at the reception desk, in the styling area or around a station where another student is working with a guest. Students will be under the supervision of educators at all times. Always get an educator's consultation before you proceed with guest services.

Phones and Cell Phones

Students may not use the academy phones for personal calls. Cell phone use is restricted to the lounge or outside on breaks or lunch periods. Cell phone use in the salon area is restricted to professional use.

Absences

Salon owners are looking for high level performance and attendance.

Make it your plan to miss no more than the following days to graduate. Our goal is to help you graduate on time ready for the real world.

Cosmetology 2100 hours	9 days including no more than 1 day missed in basics
Esthetics 600 hours	3 days including no more than 1 day missed in basics
Massage 624 hours	3 days including no more than 1 day missed in basics
Massage 900 hours	4 days including no more than 1 day missed in basics
Nail Tech 325 hours	1 day

In addition, your participation in classes will be tracked by syllabus to ensure that you have had all the classes you need to be job ready. This will be your responsibility to track and keep for your records.

Absences must be reported 30 minutes prior to your schedule. Call the educator office at 515-337-0910 to report an absence.

Students should not leave the academy during their day except for meal breaks. Special and emergency time off can be granted by an educator.

If absent the day of an exam, the student will take the missed exam upon returning to school. Exams can be taken in advance for an approved absence.

Tardiness

A student may be suspended for one day after the student has been tardy three times in one month. If a student is tardy after the suspension, the student will be advised that further tardiness may result in being dropped from the academy

Other absences may be approved if requested at least seven days in advance, and the student has an 85% grade average, be meeting the attendance standard, no tardy issue, no absence issue (meaning the student does not call to report an absence, failing to call 30 minutes prior to schedule, or leaving school without permission), and makes up all work missed. (See absence request form.)

Taking time off may put you over your contracted graduation date and may hurt your chances of receiving financial aid if you are not making satisfactory progress.

Care of Texts, Kits, and Equipment

Bring your books and kit every day. If an item is lost or broken, replace it promptly. Borrowing is not allowed. Lock up your professional tools. Your texts are your personal, professional library. Write notes in them to aid your learning. Keep your work area (classroom or styling area) clean and neat at all times. Clean up all work spaces after using them. You will be responsible for sanitation duties daily. These duties must be checked by an educator before leaving each day. The academy equipment is not to leave the academy at any time.

Supplemental Educational Materials

Access to professional magazines, DVDs and websites are available to supplement student learning.

Hours

The academy hours are assigned by the program taken. Your schedule is part of your enrollment agreement and is subject to change. The academy holidays include New Years, Memorial Day, Fourth of July, Labor Day, Thanksgiving, and Christmas. The electronic scanner time clock keeps your hours record in minutes. Even one minute late is a tardy.

Smokers

The academy is a smoke-free campus.

Lockers

Each student will use a locker to store personal items. Students are provided with a padlock and key that must be returned in working condition or a fee will be charged. Keep your locker clean.

Grades

All training must be completed with an 85% average. Any student who does not earn this average will be assigned remedial work to continue with their program.

Food and Beverages

Please keep all eating and drinking in the lounge. Water in bottles is allowed in the classroom during class. No beverages or food are allowed at styling stations.

Parking Area

Park a distance away from the building. This leaves room for our guests to park close by and walk into the academy.

Interruptions

When a class is being held in any room of the academy, it is important that class not be interrupted. Please stay in the classroom or styling area where you are assigned for the day. Do not roam about interrupting other students in training.

Educator in Charge

When you are working on practical skills either in the classroom or the styling area, please work with the educator who has responsibility for that area.

Exceeding Eight Hours Per Day

After the first eight weeks of training, the student may choose to stay over eight hours per day to make up missed hours due to absences.

Standards

Students must be an example of good grooming and should be in the best of health. All state cosmetology laws and rules are practiced and taught. Lack of basic honesty and integrity will result in termination.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records.

The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives students certain rights with respect to their education records. If the student is not 18 or older, the student and parent or guardian of a dependent minor has these rights to access.

Students have the right to inspect and review their education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for the student to review the records. Schools may charge a fee for copies.

Students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the student has the right to place a statement with the record setting forth the student's view about the contested information.

Generally, schools must have written permission from the student to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

1. School officials with legitimate educational interest
2. Other schools to which a student is transferring
3. Specified officials for audit or evaluation purposes
4. Appropriate parties in connection with financial aid to a student
5. Organizations conducting certain studies for or on behalf of the school
6. Accrediting organizations
7. To comply with a judicial order or lawfully issued subpoena
8. Appropriate officials in cases of health and safety emergencies and
9. State and local authorities, within a juvenile justice system, pursuant to specific state law

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell students about directory information and allow students a reasonable amount of time to request that the school not disclose directory information about them.

Schools must notify students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Rights and Privacy

It is the policy of PCI academy to abide by the Family Educational Rights and Privacy Act of 1974.

This act guarantees a student's right of access to the student's personal file and the student's rights to the privacy of that file.

Information from a student's file will only be released upon written permission from the student.

Parents/guardians of a dependent minor student, accrediting agencies, and government officials may gain access to a student's files without the expressed permission of that student.

It is the policy of PCI Academy to comply fully with the Family Educational Rights and Privacy Act. We comply with the Act and in addition we have the following policies:

1. Only owners or financial aid personnel may release student information when complying with FERPA.
2. No records are released without a signed and dated release of information form completed by the eligible student or parent.
3. Most of our students are eligible students because they are 18 years of age or older. When a student is not 18 or older written permission must come from the parent.
4. No records are released to other schools unless all tuition or other charges due from the student have been paid in full.
5. We do not publish a directory.
6. Students receive copies of their grades and attendance records on a regular basis and may distribute them as they see fit. We recommend the student provide such information to their parents rather than requiring the parent to go through the financial aid office.
7. Each request for a release of information is good for a single time only. No such request can be a "blanket" or continuing and all-inclusive request.
8. We will conform with any future updates to FERPA.

Vaccinations

Proof of vaccinations is not required to attend PCI Academy.

Copyright

Unauthorized distribution of copyrighted material may subject you to criminal and civil liabilities. Penalties may include Federal and state fines. Students may not use the school's facilities, internet, copy machines, computers or other technology to engage in illegal downloading.

Safety Procedures

First Aid

A first aid kit is in the dispensary and the educators' office.

Cut finger: Educator should immediately check the wound to see how deep the cut is. Small cuts should be washed, dried, and then covered with a bandage. Bandages and first aid kits are kept in the dispensary.

Cut requiring stitches: If possible, a staff member should take the student to the doctor.

Fainting: Do not move the person; call 911. Give facts as much as possible. Keep calm and notify other staff members for help, if necessary. Make the person comfortable.

Fire Exits

If you smell smoke or see fire, report it immediately to an educator. Warning will then be given by the educators. Do not panic. Proceed as follows:

1. Students in styling area exit single file out the front doors. If you have a guest at the time, the guest is your responsibility. After exiting the academy, proceed to safety away from building.
2. Support staff at the front desk will help guests in reception area out the front doors. Proceed into the parking lot.
3. Students in the classrooms, student lounge, conference room and spa area should exit through the nearest door single file. Locate and join the students and guests from the styling area.

Tornado Warning

All students, staff and guests will walk to the areas without windows.

Remain there until instructed to return to your previous activity.

CONSUMER INFORMATION

Campus Security

Under the Crime Awareness Campus Security Act, the academy is required to provide you with the following information about our campus.

All criminal actions must be reported to an educator or owner immediately. The authority to which a crime is reported will assist the student or client in reporting a crime to the Ames Police Department or other appropriate security force.

The facilities are open Monday through Saturday according to assigned class and styling area schedules.

The building may also be open for educational classes for licensed professionals in cosmetology arts and sciences or to groups securing the use of the facilities through the owner. Only educators and owners shall have keys to the building.

An educator made aware of a crime notifies the staff and police, depending on the situation.

It is critical that all staff be aware of any report of crime and that the police are notified immediately.

This information will be provided to every enrolling student prior to contract signing in the catalog. Students also receive a copy of campus security data during orientation.

Staff and students are reminded about security and safety procedures including crime prevention, personal safety, fire safety and dangerous weather procedures.

Local police speakers will be scheduled annually for all staff and students.

If there are student organizations meeting off campus, appropriate safety procedures will be explained prior to the meeting.

Students and staff will be notified of emergency response and evacuation procedures. Internally, staff will evacuate students and guests through the closest exits if possible. Externally, staff will notify students and staff of emergency response and evacuation procedures using cell phone, telephone, email and text messaging.

The academy will test the emergency response and evacuation procedures annually.

Refund Policy (cosmetology example)

If the student (or the student's parent or guardian if the student is a dependent minor) cancels the enrollment in writing or in person within three business days of the execution of this agreement, all monies paid herein, including the registration fee, shall be refunded by the academy to the student.

The cancellation date will be determined by the postmark on the written notification or the date said information was delivered to the owner in person. This policy applies regardless of whether or not the student has actually started training.

If the student cancels enrollment prior to the commencement of classes for which the student is enrolled, the student shall be entitled to a refund of all monies paid to the academy, less the registration fee of \$140.

If the student does not call or attend classes 10 days in a row, the academy will make every effort to contact the student.

If no contact is established and/or if the student fails to return to classes, the academy will start the termination process and consider this an unofficial withdrawal. In the case of termination by the academy, the student will receive a refund according to the Refund Policy described below.

If a student wishes to withdraw, the student must notify the Financial Aid Officer in person or in writing.

Students are charged tuition by payment period.

In the event the student begins but does not complete the payment period, the student is charged according to Iowa law.

The academy will retain or refund tuition as follows:

Formula: Total tuition minus ten percent of total tuition in the payment period equals the balance of tuition. Balance of tuition times percent of hours in the payment period scheduled equals the amount of tuition to be retained in addition to the ten percent referred to previously. If the student has completed 60% or more of the payment period, no refund is due as 100% of tuition for that payment period is considered earned.

However, if the student must terminate due to physical incapacity or the transfer of a spouse's employment, the student will receive a pro rata refund based on the percentage of scheduled hours remaining in the payment period.

The student's last day of attendance will be used to determine scheduled hours, whether they did not return from a Leave of Absence, officially or unofficially withdrew from the academy.

Students using Title IV funds will follow the above refund policy AFTER the return of unearned Title IV funds calculation has been made. This calculation often results in the student owing tuition and fees to the academy.

The Federal return of Title IV funds calculation will be used for students who have received financial assistance under the Higher Education Act, i.e. Pell Grants or Direct Student Loans or Direct PLUS Loans awarded under the Direct Loan Program.

If the enrollment is terminated during the first 60% of the scheduled hours of any payment period (*1-525 hours, 526-1050 hours, 1051-1575 hours and 1576-2100 hours*), the Federal return of Title IV funds calculation will apply. If 60% of the class scheduled hours within the payment period have passed, no refund is due.

Any monies due the student shall be refunded within 45 days after the student's last day of attendance or, in the case of a leave of absence, the date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the academy that the student will not be returning.

An applicant not accepted by the academy receives a refund of all monies paid including tuition and registration fee.

If the academy is permanently closed and is no longer offering training after a student has enrolled and begun training, the student shall be entitled to a pro-rata refund of tuition.

If the course is cancelled after the student's enrollment, the academy shall provide a full refund of all monies or provide for completion of the course.

The application fee is nonrefundable. The registration fee is not refundable except within the three business days referred to above.

Return to Title IV

Students using Federal Title IV Funds will follow the above refund policy AFTER the Return of Unearned Title IV Funds Calculation has been made. In most cases, this calculation will result in the student owing tuition and fees to the academy.

The Federal Return of Title IV Funds Calculation will be used for students who have received financial assistance under the Higher Education Act, including Federal Pell Grants, Direct Loans or Direct PLUS Loans.

If the enrollment is terminated during the first 60% of the scheduled hours of any payment period the Federal return of Title IV funds calculation will apply.

Once 60% of the scheduled payment period has passed, no refund is due as 100% of tuition for that particular payment period is considered earned.

The student's last date of attendance will be used to determine scheduled hours, whether they did not return from a Leave of Absence, officially or unofficially withdrew from the academy.

However, if the student must terminate due to physical incapacity or the transfer of a spouse's employment, the student will receive a refund based on the formula above.

The results of the refund, after the Return to Title IV and Institutional Refund Worksheet have been completed, are provided to the students in writing.

If a student did not receive all of the funds they were entitled to after the Return to Title IV was completed, a post-withdrawal disbursement may be due. The Academy will notify the student and get permission in writing to have the funds disbursed. The student may decline some or all of the loan funds as it is additional debt. The Academy may use all or a portion of the post-withdrawal grant disbursement for tuition charges. If the student does not give permission for The Academy to use the funds toward tuition charges, the student will be offered the funds. It may be in the best interest of the student to allow The Academy to keep the funds to reduce institutional debt.

Student Property in Event of Drop or Termination

If a student drops, does not return from a leave of absence or is terminated by the academy, the student has 10 days to claim personal property including books and kit. If such property is not claimed in that time frame, the property will be destroyed.

Satisfactory Academic Program Policy

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the academy. It is printed in the catalog to ensure that all students receive a copy prior to enrollment.

The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Evaluation Periods

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology	525, 1050, 1575, 2100 actual hours
Esthetics	300, 600 actual hours
Massage Therapy 624	312, 624 actual hours
Massage Therapy 900	450, 900 actual hours
Nail Technologist	162, 325 actual hours

Transfer Students - midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

Attendance Progress Evaluations

Students are required to attend a minimum of 85% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements.

The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the academy will determine if the student has maintained at least 85% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Maximum Time Frames

The maximum time (which does not exceed 117% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Cosmetology

Three-quarter time, 70 weeks, 30 hrs./wk. 2100 hours; Max. time allowed 83 weeks; scheduled hours 2471

Cosmetology

Half time, 101 weeks, 20 hrs./wk. 2100 hours; Max. time allowed 119 weeks; scheduled hours 2471

Cosmetology

Full time, 55 weeks, 40 hrs./wk. 2100 hours; Max. time allowed 64 weeks; scheduled hours 2471

Esthetics

Full time, 27 weeks, 24 hrs./wk. 600 hours; Max. time allowed 31 weeks; Scheduled Hours 706

Esthetics

Half time, 34 weeks, 18 hrs./wk. 600 hours; Max. time allowed 39 weeks; scheduled hours 706

Massage Therapy

Full time, 24 weeks, 27 hrs./wk. 624 hours; Max. time allowed 27 weeks; scheduled hours 735

Nail Technology

Half time, 27 weeks, 12 hrs./wk. 325 hours; Max. time allowed 32 weeks; scheduled hours 383

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 85% of the scheduled contracted hours.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences.

Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory (85%) or better (the computer system will reflect completion of the practical assignment on a 100% scale).

At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the academy.

Students must maintain a written grade average of 85% and pass written and practical exams prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Numerical grades are considered according to the following scale:

93 – 100	A
85 – 92	B
84 and below	Not Passing

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation.

Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations.

Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation.

If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

Probation

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal.

Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period.

Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Re-Establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to academy in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Appeal Procedure

If a student is determined not to be making satisfactory academic progress, the student may appeal the determination within 10 calendar days. Reasons students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance.

The student must submit a written appeal to the academy on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed.

This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point.

Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days.

The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Noncredit, Remedial Courses, Repetitions

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the academy's satisfactory academic progress standards.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Leave of Absence Policy

Reasons for Approved Leave of Absence (LOA)

1. Medical/health issues
2. Family Emergencies
3. Financial Hardship

Leave of Absence requests must be presented in writing to an owner. If at all possible, a student needs to present documentation to support the request for a LOA. Paperwork for the LOA is processed in the financial aid office.

PCI Academy reserves the right to deny a LOA based on the facts provided. A student may take a maximum 180 days in a calendar year for a LOA. If the student has federal loans, no disbursements will be released while the student is on LOA.

If the student does not return from the LOA, the student will be considered a drop student and termination paperwork will be started. A student's loans will go into repayment.
